Reis-i-ulema Emeritus Mustafa Cerić Ph.D. letter to the British and International public on the occasion of the crime in London

THE ABUSE OF THE NAME OF ALLAH MUST BE STOPPED

Autor: **Reisu-i-ulema emeritus dr. Mustafa Cerić Ph.D.**

It is time for Muslims, particularly in Europe, but not only in Europe, to take a serious and responsible action in detecting who is behind the abuse of "Allahu Akbar" and who are those who are spreading fear and terror on behalf of Islam on European streets. They may be called by any name but a Muslim. They are just killers and should be treated in the same way as the killer Anders Breivik

TRIO ARRESTED OVER LONDON ATTACK RELEASED ON BAIL

LONDON – Agence France-Presse

Despite calls for calm from Prime Minister [David Cameron](#) and Muslim and Christian leaders, one charity said it had recorded a huge spike in anti-Muslim incidents, while there have also been a number of attacks on mosques in recent days.

An Islamic cultural centre in Grimsby in northeast England was hit by petrol bombs on Sunday night, although police said it was "too early to speculate" on why the fire was started.

TEN ATTACKS ON MOSQUES SINCE WOOLWICH MURDER

- As the number of Islamophobic incidents continues to increase, EDL raises temperature with London march

The number of reported Islamophobic attacks since the Woolwich murder has continued to rise dramatically amid warnings from Muslim community leaders that the backlash which has seen attempted firebombings of mosques is being fuelled by far right groups.

As participants in an English Defence League (EDL) march in Whitehall were recorded giving Nazi-style salutes, Faith Matters, which monitors anti-Muslim hatred, said the number of incidents in the past six days had risen to 193, including ten assaults on mosques. The figure compares to a total of 642 incidents in the previous 12 months – meaning the last week has seen a 15-fold increase on last year's average of 12 attacks per week.

ISLAM IN EUROPE

Despite the fact that Islam had its positive scientific, civil and moral effects on the continent of Europe, some Europeans had deep hatred for Islam. For example, such hatred showed in the acts of Serbian massacres in which they killed the Muslims of Bosnian and Herzegovina out of ethnic cleansing.

/.../ Some western countries such as Britain and Swiss positively acknowledge Islam, while other countries such as Italy refuse to acknowledge Islam as an official religion. Germans view Islam as a threat to their community and the prime minister of Holland calls for closing Islamic schools

MUSLIM SPAIN: A STORY OF CIVILIZATION AND TOLERANCE

Cordova (Arabic Kurtuba) was the capital of that civilization. This city was ten miles long with a twenty-four-mile suburb and a million population (almost twice the current population of Washington, DC) . It is said that it had 60,000 palaces and mansions, 200,000 houses, 80,000 shops, 3,800 mosques and 700 public baths. Among many libraries, the largest was the Imperial Library of the Emir containing 400,000 books. The city's University of Cordova was famous which attracted students from all over the world...

/.../ Religious tolerance is another shining example that these Spanish Muslims established. Christians and Jews flourished under their rule. As a matter of fact, the Jews had their cultural renaissance while they lived in Spain under Muslim rule.

The last remnant of Muslim rule in Spain was finally vanquished in 1492 by a combined force of Ferdinand and Isabella. What followed then was a dark chapter in the history of Spain. Muslims and Jews were massacred and driven out of Spain. It was then that the infamous "Spanish Inquisition" was established by the Church to crush the "infidels". They were forced to change religion or burnt to death. No one was spared, not even the children. Changing religion was not enough – they were forced to transform into being Spanish...

• BRADFORD MUSLIM COMMUNITY RAISES MONEY TO HELP RESTORE NEIGHBORHOOD SYNAGOGUE

The Bradford Synagogue in northern England was facing a dwindling population and serious financial woes when the local Muslim community reached into its pockets to save the day.

/.../ "We have so much in common," says Karim of the two Bradford communities. "We both have a tradition of helping each other out in business, and strong entrepreneurial, family and community values." He also acknowledges that in addition to their common Abrahamic ancestry, there are parallels between the anti-Semitism and Islamophobia both communities have endured.

• **NEW MUSLIMS IN SPAIN**

"I think more people will convert to Islam here in Spain" — Father James O' Leary

Islam in Spain is remarkably present. Muslims in Europe in general, but Spain specifically had always been categorized as immigrants. However in recent years, there is a notable number of native Spaniards who convert to Islam in Spain and they are recognized publicly as new Muslims. This may raise many questions on the nature of the Islamic preaching activities in Spain and the official Islamic presence in the country. Islam has come to be an attractive religion to some Spaniards disregarding the fact that its international media image is not generally a positive one.

It is important to note that Islam is considered to be the fastest growing religion in the world (CNN, World News). But Spain in specific maintains very unique historical and cultural linkages to Islam that never existed within any of the other European countries. Under the name of "Al-Andalus" most of the Iberian Peninsula was ruled by an Islamic state for around eight centuries from 711 to their defeat at Granada in 1492. Since the expulsion of Muslims and Jews shortly thereafter, Muslims were not allowed to practice their religion neither publicly nor privately. It was not until 1978 that Spain finally issued a law that would protect the freedom of practicing different religions, including Islam...

• **ISLAM IN AMERICA**

Islam in America during the Slavery Years:

Muslims have been part of American history since pre-Columbus times. Indeed, early explorers used maps that were derived from the work of Muslims, with their advanced geographical and navigational information of the time.

/.../ Today, Muslims in America represent a colorful mosaic that is unique in the world. African-Americans, Southeast Asians, North Africans, Arabs, and Europeans come together daily for prayer and support, united in faith, with the understanding that they are all equal before God.

<http://english.islammessage.com/ArticleDetails.aspx?articleId=3289>

• **ISLAM IN EUROPE: A FORGOTTEN HISTORY**

Rather than acknowledging and crediting Muslims for their great service to the rebirth of Europe, its countries are at present busy with either lampooning Muslim beliefs and their Prophet (pbuh), or banning minarets and Islamic-style dress. Instead of reestablishing the Andalusian and Sicilian models of convivencia, they are set to marginalizing a significant minority in their midst.

It can only be hoped that today's Europe will reawaken to the reality of its past and recognize the immense debt it owes to Muslim erudition – and enfranchise its European Muslim population rather than alienating them.

• **MUSLIM SICILY**

Written by **Gian Luigi Scarfiotti** and **Paul Lunde**

The brilliant past of Sicily is all too often ignored, and still inadequately assessed. But the visitor to the island is immediately touched by a breath of that far-away and exotic culture that once flourished so near the heartland of Europe. The great Sicilian Arab poet Ibn Hamdis, who in his life knew the pain of exile from his beloved island, wrote, more than seven centuries ago...

<http://english.islammessage.com/ArticleDetails.aspx?articleId=1139>

• **HOW ISLAMIC CIVILIZATION MADE WAYS INTO THE BALKAN PENINSULA**

The identity of the Balkans is dominated by its geographical position; historically the area was known as a crossroads of various cultures. It has been a juncture between the Latin and Greek bodies of the Roman Empire, the destination of a massive influx of pagan Slavs, an area where Orthodox and Catholic Christianity met, as well as the meeting point between Islam and Christianity.

/.../ Islamic civilization entered the Balkan Peninsula mainly from the West through the contacts with Andalusia in Spain, from South through the Mediterranean Sea and Sicily, and from North-East through Hungary. The purpose of this study, however, is not to answer the question of where Islam came from, but rather how it came. There were three main ways through which the Islamic civilization gained a foothold in the Balkan Peninsula; trade relations, military and political reasons and migrations. A further elaboration of them shall follow.

The development of Islamic civilization conditioned the expansion of trade. The goods produced were mainly traded with neighboring nations, however, the traders often ventured to far and unknown places. Hence, trade relations between Europe and Middle East through the Mediterranean Sea since the 9th century were booming. In these trade relations, the most daring Europeans were those from Florence, Venice, Piza, Genoa, followed by the French, and Catalonians.

VIDEO: MUSLIMS IN EUROPE

• **MUSLIMS IN EUROPE / MUSLIMANI U EUROPI / Muslime in Europa / Musulmans en Europe / Musulmanes en Europa / Musulmani in Europa / Muçulmanos na Europa / ابوروأف نوجلسجلا / Avrupa'daki Müslümanlar / Myslimanët në Evropë / Muszlimok Eurórában / Мусульмане в Европе / Muzułmanie w Europie / Muslimoné v Evropě / Muslimer i Europa / Euroopan muslimit / Muslimer i Europa / Μουσουλμάνοι στην Ευρώπη / Islamanoj en Eŭropo**

In the last 50 years, Islam has, after Christianity, become the second largest European religion. It is estimated that in the European Union live up to 18 million Muslims. However, about the Muslims little is known, and much of it is based on prejudice and stereotypes. This is why the EBU working group started recording multiculture co-production of the documentary series "Muslims in Europe." At eleven half-hour episodes from Croatia, Ireland, Germany, Denmark, Turkey, Poland, Slovakia, Austria, Sweden, Finland, the Netherlands you will see 20 of its neighbors, business people or school colleagues, doctors, athletes, street vendors – who are incidentally Muslims. The executive producer of the series Schulz Lisbeth Contreras from Sweden and dramaturg David Wingate from Norway.

In den letzten 50 Jahren, hat der Islam, hinter dem Christentum, wurde der zweitgrößte europäische Religion. Es wird geschätzt, dass in der Europäischen Union leben bis zu 18 Millionen Muslime. Doch über auf die Muslime ist wenig bekannt, und vieles ist Vorurteile und Stereotypen. Deshalb ist die EBU-Arbeitsgruppe die Aufnahme gestartet Multikultur Koproduktion der Doku-Serie "Muslime in Europa." Um elf halbstündigen Episoden aus Kroatien, Irland, Deutschland, Dänemark, der Türkei, Polen, der Slowakei, Österreich, Schweden, Finnland, die Niederlande sehen Sie 20 von seinen Nachbarn, Geschäftsleute oder Schule Kollegen, Ärzte, Sportler, Straßenhändler – wer sind übrigens Muslime. Der Executive Producer der Serie Schulz Lisbeth Contreras aus Schweden und Dramaturg David Wingate aus Norwegen.

U posljednjih 50 godina islam je, iza kršćanstva, postao druga najveća europska religija. Procjenjuje se da u zemljama Europske unije živi čak 18 milijuna muslimana. Pa ipak, o muslimanima se malo zna, a mnogo se toga temelji na predrasudama i stereotipima. Upravo je zato EBU-ova radna skupina za multikulturu pokrenula snimanje koprodukcijske dokumentarne serije "Muslimani u Evropi". U jedanaest polusatnih epizoda iz Hrvatske, Irske, Njemačke, Danske, Turske, Poljske, Slovačke, Austrije, Švedske, Finske, Nizozemske upoznat ćete 20 svojih susjeda, poslovnih ili školskih kolega, liječnika, sportaša, uličnih prodavača – koji su slučajno muslimani. Izvršna je producentica serije Lisbet Schulz Contreras iz Švedske, a dramaturg David Wingate iz Norveške.

• **EVROPA POTCENILA PRETNJU OD "DESNOG" TERORIZMA**

Proteklih godina evropske obaveštajne agencije su smatrale radikalne islamiste za najveću terorističku pretnju regionu.

Nakon krvavog pira Norvežanina ...

U svom prvom izveštaju objavljenom prošle godine evropska policija Europol je kao najveću terorističku pretnju regionu navela radikalne islamiste. Medjutim, ova agencija je tada takodje navela listu napada koje su u poslednjih nekoliko godina izveli ekstremni desničari.

U Madjarskoj, su se desila tri bombaška napada tokom 2009., nakon toga ubistva nekoliko Roma 2009. godine. U Francuskoj, šest ljudi je uhapšeno zbog aktivnosti povezanih sa ekstremnim desničarima u Nemačkoj. Policija je takodje istraživala slične slučajeve u Velikoj Britaniji, Češkoj Republici i Nemačkoj.

Policija je svuda pronalazila "liste neprijatelja" kao i eksplozive...

/.../ Stručnjaci koji prate delovanje ekstremne desnice kažu da je Anders Behring Breivik bio "vuk samotnjak", neko ko prati strategiju "otpora bez lidera". Ovaj koncept je izmislila američka krajnja desnica tokom 70-ih godina prošlog veka. Koncept je popularizovao u svom eseju pripadnik Klu kluka klana Lusi Beam 1983. godine. Beam je zastupao otpor bez lidera kao tehniku za bele nacionaliste kako bi nastavili sa borbom protiv...

• **ISRAEL: OTKUD NEONACISTI U SRBIJI?**

Veoma sam iznenađen da u Srbiji postoje neonacisti. Za zemlju koja je propatila zbog njih i u kojoj je Hitler ubio toliko Srba, ovo je veliko iznenađenje. Treba ih zakonom zabraniti i strpati u zatvor! Srbija je dobro postupila što je zabranila okupljanje neonacista iako će Srbe, verovatno, Nemačka i Francuska ponovo nazvati ugnjetavcima.

Nacizam će ostati u Evropi ukoliko se ne uradi nešto ozbiljno povodom toga. Ne razumem zašto je tako mnogo Slavena među neonacistima, s obzirom na to da je Hitler Slavene smatrao nižom rasom. Kakva sramota! Jevrejske grupe i nevladine organizacije su morale da protestuju da bi se zabranio marš! Svaka razumna vlada bi to sama odmah učinila.

(Komentari čitalaca u izraelskom listu *Haarec*, povodom skupa neonacista u Novom Sadu 2007)

UBIJANJE KOMŠIJA BEZ LIČNIH MOTIVA!

Autor: **Nadira Avdić Villasi**

Nije imao motiv Prošić! Tako kaže odbrana Predraga Prošića koga optužnica tereti da je "sa grupom vojnika došao pred Hegićevu kuću, a potom ušao i, pucajući iz puške, ubio osam bošnjačkih civila, među kojima je bila i jedna trudnica, nakon čega je kuću zapalio i izašao."

Pa odbrana, zbog nedostatka motiva, traži oslobadjajuću presudu!

Tako je odbrana uzela argumenat optužbe! Kakvi su to monstrumi koji ubijaju bez osobnih motiva djecu, žene, bebe, trudnice... Zatvarali ih u kuće i žive palili, mučili... Šta su im bili krivi? Krivi su jer su Bošnjaci! I uz to po vjeri muslimani!

Njihovi motivi nisu lični već su na vrlo visokom nivou Memoranduma SANU!

To bi mogla biti definicija terorista! Ubijaju nevine ljude bez ličnih motiva! Oni su ubijali nevine ljude, jer oni za njih nisu ni bili ljudi, već štetna pojava koju treba "očistiti" kako bi procvjetalo srpstvo na teritoriji koju su umislili da mogu otetiti Bošnjacima!

To su te skrivene preteče terorizma gdje god da su! Koje god nacije i vjere bili! To su oni koji su inspirisali ove što ubijaju nevine ljude na proslavama, maratonima, u zgradama, na ulicama, dok rade svoj posao. Oni su prva klica, savremeni virus pošasti zvane terorizam...

Inspiratori Alkaide i Anders Behring Breivika iz Norveške koji lijepo objasni da im se divi, da ih podržava, da misli kako su u pravu što ubijaju komšije bez ličnih motiva! I u toj zemlji u kojoj kažu ljudi najbolje žive na svijetu, u toj bezbjednoj i uređenoj zemlji, zločinac oduze živote skoro stotini nevinih ljudi, djevojaka, mladića, koje nije poznao, ali ih je iz viših motiva mrzio toliko da bi i djecu i trudnice pobio... da ih je tamo bilo! Brejvik se divio srpskim četnicima jer oni su to nekažnjeno radili stotinu godina svojim komšijama bez osobnih motiva. Nisu u njima gledali ljude već objekat njihove osvete, smeće koje treba da bude očišćeno...

Evropa se stotinu godina pravila luda, odobravala, podržavala pokliče: "Ubijte Turke!" Pa im se terorizam svejedno kojeg tipa, jer za to nema objašnjenja ni opravdanja, proširio kao kuga sirom planete. Nisu ga na vrijeme izolovali. I još im se širi.
